

## Donations

---

The Saint Jo School Library gladly accepts monetary and book donations in memory or honor of your loved ones.

A donation bookplate is placed inside the front cover of each book donated to the library. An acknowledgement letter will be sent to the donor and to the family of the person the book is donated in memory or honor of. The library also uses donation money to purchase library shelving and other equipment needed in the library.

A donation plaque is placed on large items donated to the library. If you would like to donate to the Saint Jo School Library in memory or honor of someone special please send donations to:
