## **Damaged/Lost/Unreturned Textbooks**

All textbooks provided by the district for the student's use are considered to be on loan to the student. Saint Jo ISD charges students the original purchase price for any lost, damaged, or unreturned textbook. The district considers a textbook to be damaged if any part of the book, cover, or accompanying material is lost or damaged beyond normal use. Textbooks returned wet or molded are considered to be damaged beyond normal use. Saint Jo ISD and the state of Texas require textbooks to be covered at all times. Payment for lost or damaged textbooks must be submitted to the Saint Jo School Library. Please make checks payable to Saint Jo ISD. No records or final report cards will be issued to students or parents unless all outstanding debts have been paid.
